Hali'i Kai 11G

First time on the market for this outstanding Hali'i Kai 3 bedroom, 3 bath townhouse.

Graceful and elegant, 11G has been meticulously upgraded, is in mint condition, as well as being very sparingly used and never rented. Featuring Brazilian hardwood floors throughout, upgraded granite backsplash in the kitchen, the thorough attention to detail in this upscale condominium will be appreciated by a discerning Buyer. 11G boasts one of the finest locations in the development, just a few steps from the Ocean Club, but far enough away to be peaceful and quiet. The ocean and golf course views from both the upstairs and downstairs lanai are incredible, especially when the surf is up and crashing against the rocks near the signature hole on the Beach Course. Enjoy watching the whales breach from the comfort of your lanais as well. The Ocean Club at Hali'i Kai is unique in that it features a private bar and restaurant open only to owners and guests at the development. Other amenities include a basketball/tennis court area, as well as a workout facility located in the Ocean Club with an outstanding ocean view. Hali'i Kai is an exceptionally well maintained community, with beautiful grounds and copious green space. Located in the Waikoloa Beach Resort, world class golf, shopping, and dining are all within walking distance. Come live your dreams at Hali'i Kai today!
