Kolea Villa 7D

First time on the market for this front row Kolea Garden Villa.

Tastefully furnished and appointed, 7D has been recently updated with new carpet in the bedrooms as well as new granite counter tops in the kitchen. The Villa has an excellent rental history, with a firmly established clientele of repeat guests. The unit has a private feel, yet is located conveniently near the Beach Club. Attractively priced, this Villa includes the features which differentiates Kolea from many other developments. These include steel frame

Kolea is one of the premier developments along the Kohala Coast of the Big Island. Within walking distance are world class dining, shopping, and golf. Coming soon is a new luxury movie theater at the nearby Queen's Shops, with its adjacent outdoor amphitheater for special events. Kolea is the only truly beachfront development in the Waikoloa Beach Resort, and is situated directly next to Anaeho'omalu Bay. Come live your dreams today! 3 Beds | 3 Baths | Price: \$1,399,000
